

St. John's Lutheran Church and School

## "Project Tutor"

*A community outreach initiative...*

### BASIC INFORMATION

#### HELLO!

I hope you are interested in volunteering for "Project Tutor." This is an exciting project that has the potential to help many families in the community. **If this is successful, there may be potential for new programs in the future, such as parent education nights in tech labs.**

#### WHAT IS PROJECT TUTOR?

We have made some exciting changes to this program! We would be going to **SCHAFFER SCHOOL, 700 E. PLEASANT LN., LOMBARD, IL 60148** and helping kindergartner teachers with reading groups. The students possess **NO** background in reading, lack letter identification and letter sounds, and were not exposed to any preschool experiences. This is a group of about 40 children **WHO NEED YOU...**

#### WHEN WOULD WE TUTOR?

- THIS WOULD BE DURING THE **WEEK DAY MORNINGS**...most likely 8:30-9:30-10:00---to be determined depending on how many volunteers we get.

#### WHAT DO I DO IF I AM INTERESTED IN "PROJECT TUTOR?"

- Come to a meeting to learn more!
- If you cannot come, **PLEASE** call Marla Fitzgerald at 630 885 1939 or email me at [fitzgem@ccsd93.com](mailto:fitzgem@ccsd93.com)
- If you have any **questions or concerns**, please include them on the email to me when you confirm which days you would like to tutor. I will get back to you within a day.
- I will put a **temporary background check** in your church mailbox, as well as the official one that you would bring to the facility to get your fingerprints. A list of places to go will be attached. (Remember to **turn in the receipt** to Mr. Aurich at the St. John's School, if you would like **reimbursement** for getting the background check/fingerprints.)

#### WHY SHOULD I GET INVOLVED?

- Your **generous heart** and time is a blessing to many families, who may greatly benefit from this project! You will be **enriching lives and empowering** children with **reading skills** that they so greatly need...**Making life easier for them by strengthening their reading skills for school success and for their future!**

Blessings!

Marla Fitzgerald ☺
